

# GRANGE CO-OP Community NEWSLETTER

## SHOW CLINIC IN YUBA CITY

On February 26th Grange Co-op, in partnership with Purina Animal Nutrition, held a livestock clinic for local 4-H and FFA members. Presenters from across the state of California came together to cover the four main livestock species: cattle, goats, hogs, and sheep. Over 400 people attended and learned the necessary skills to make their project animals successful. This educational clinic benefited many students and aided in taking their showmanship skills and animal management practices to the next level.

## JACKSON COUNTY ANIMAL SHELTER PET FOOD DRIVE

Starting March 1st, Central Point, White City, Ashland, and South Medford Grange Co-op's hosted donation bins to benefit the Jackson County Animal Shelter. The animal shelter has been in desperate need of dog/puppy and cat/kitten food, so Grange Co-op proudly jumped in to help! Spring season within animal shelters nationwide generally results in a dramatic influx of pets. Grange Co-op stores within the Rogue Valley have been collecting any pet-related supplies our customers and employees have donated. Thank you to everyone who has made the gracious decision to donate to this cause!

and Sat/Sun noon-4pm.

Jackson County  
Animal Shelter  
5595 S Pacific Hwy  
Phoenix

## CP CHAMBER OF COMMERCE "DENIM AND DIAMONDS"

Each year the Central Point Chamber of Commerce hosts the "Denim and Diamonds" banquet and auction. The event is a celebration of city officials, local businesses and philanthropists with a dinner and auction. Proceeds from the event support local businesses and contribute to the economic development of Central Point, OR. This year, Grange Co-op purchased a table and donated items for the auction. It was a great community event, and Grange Co-op was proud to attend and participate!

## CHICK DAYS

Every year, Grange Co-op orders hundreds of chicks for our annual Free Chick Day. With the purchase of a 40- or 50-pound bag of Rogue or Purina chicken feed, customers received 5 free chicks. This year Grange Co-op gave away over 3,700 chicks to their new homes on March 12th!

## SO HUMANE ADOPTION EVENT

Grange Co-op partnered with Southern Oregon Humane Society to hold an adoption event at the South Medford Grange Co-op. SoHumane's mobile pet rescue vehicle, 'the saving train' travelled to Fresno, CA and rescued 25 dogs and puppies. Transported to Medford, OR SoHumane provided medical attention and care to the animals. We are proud to announce that all 25 dogs and puppies were adopted and found their furr-ever homes! Grange Co-op also designed and donated raffle baskets in which nearly \$300 was raised to benefit the pets at SoHumane! Each basket was made possible with the help of some of our pet vendors. Congratulations to each of the new pet owners and thank you to our community and customers who supported this event!
