

GRANGE CO-OP Community NEWSLETTER

TOY DRIVES

DECEMBER
2021

Oregon Grange Co-op retail stores participated in the 14th Annual Community Toy Drive coordinated by News 10. From November 20th through December 13th, customers had the opportunity to drop off new, unwrapped toys that were distributed to those who may not receive toys this holiday season. Families in Jackson, Josephine, and Klamath counties all benefitted from the generosity of our customers. In Yuba City, the Toys for Tots Toy Drive teamed up with Grange Co-op, running their annual toy collection from December 6th to December 18th. The toys gathered in the drive will be distributed throughout the Yuba Sutter community.

In conjunction with collecting toys, all Grange Co-op retail stores offered customers the opportunity to round up their transaction totals to the nearest dollar. All proceeds collected were contributed towards the purchase of more toys! With the help of our customers, Grange Co-op raised \$5,223.17 in monetary donations. We look forward to the joy these gifts will bring to our local community and appreciate the support we have received from fellow community members, customers, and employees. Thank you again to everyone who donated towards this great initiative!

KLAMATH FALLS SNOWFLAKE PARADE

On December 9th, Klamath Falls Grange Co-op participated in the 36th Annual Snowflake Parade. One of the many events included in Klamath Fall's Snowflake Festival, this parade kicks off the holiday cheer in the Klamath community each year. Since 1984, the Klamath Snowflake Festival ushers in the Christmas season with more than two weeks of events. All the events are presented by non-profit and for-profit groups. These events unite the Klamath community with entertainment and activities, providing something for everyone during this family-friendly, fun-filled time! To join in the festivities, Klamath Falls Grange Co-op designed and built a creative float full of Christmas cheer. The float highlighted the beauty and importance of community, as employees with their family members, and even their pets, participated. Thank you, Klamath Falls, for hosting one of the largest winter festivals in the state of Oregon, we're proud to be a part of it!

CENTRAL POINT COMMUNITY CHRISTMAS CHALLENGE

On December 4th, representatives from Grange Co-op participated and assisted with the Central Point Community Christmas Challenge. Local children in the Jackson County community traveled to different businesses in Central Point to get their Community Passports stamped, as well as receive holiday goodies.

EAGLE POINT FFA BENEFIT DINNER AND AUCTION

Grange Co-op attended the Eagle Point 2021 FFA Auction and Dinner! This event brought in an amazing amount of support for kids in the community with funds raised from a generous amount of donations given for the silent and live auctions. Grange Co-op was proud to purchase a table for the dinner, as well as donate a gift card to support this event and the community it united to support this cause. From the funds collected at this event, over \$110,000 in profits were raised for the Eagle Point chapters! 100% of these proceeds benefit local FFA chapters, with a partial amount applied directly to a scholarship fund for this year's graduating high school seniors. Grange Co-op is proud to show our support and be a part of an event that encourages and teaches agriculture in future generations! Thank you for having us Eagle Point FFA.
